

Cookie Pop

Creator : Hannah
Linger

Ingredients

First, you need to buy a pack of oreos.

Second, you buy any kind of chocolate.

Third, you need to put the chocolate in a bowl, then u microwave for atleast 30 seconds and stir.

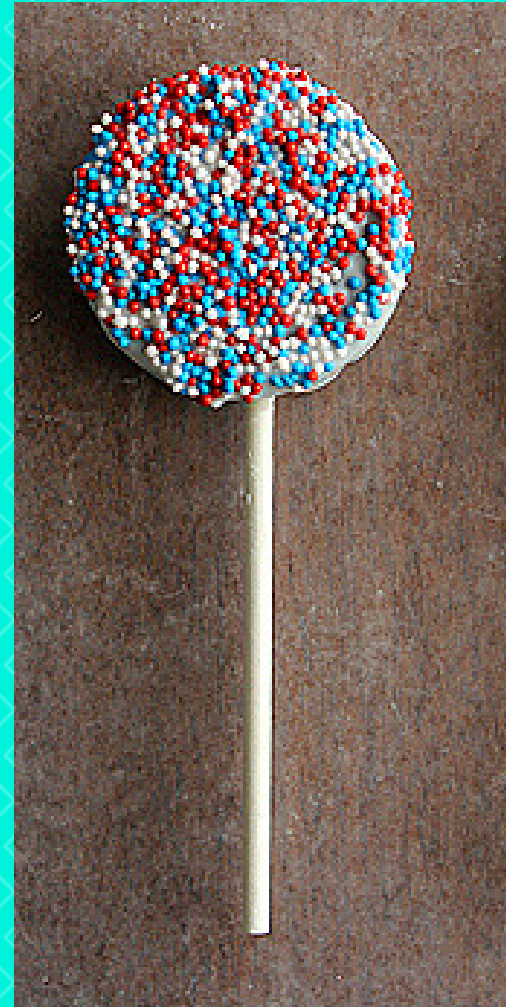

After the chocolate is done, you take the oreos and split them apart, after that you can take any kind of colorful cake pop stick and dip it in the chocolate .then press against the center of the split oreo .

Then after that sits out you can start to dip the oreos into the chocolate .after that u can dip them in yummy sprinkles and let the oreo dry .then u have a yummy treat .

height : 5 inches

width: $1 \frac{3}{4}$ inch

chocolate height: $5 \frac{1}{8}$
inch
